WHAT IS PanIIT?

PanIIT Alumni India (PanIIT) is the umbrella body of alumni from all 23 IITs, uniting 500,000+ graduates across India and global hubs like the US, Canada, UK, Korea, Singapore, and Australia to drive nation-building and innovation-led growth. Through summits, policy dialogues, and programmes such as PanIIT Alumni Foundation (PARFI), WHEELS, IIT Startups and IIT-IIT, it channels the IIT alumni community's expertise towards India's development and global leadership.

Its work has received national and international recognition, most notably, by the Hon'ble Prime Minister of India Shri Narendra Modi in his Independence Day 2026 address this year. IIT Directors and Faculty are regular participants in all the endeavours of PanIIT.

ABOUT THE SUMMIT

Vision of PanIIT Andhra Pradesh Summit 2026

Showcasing Andhra Pradesh as a hub of skilled talent, innovation, global collaboration, and strategic investment opportunities

Aligning with Swarna Andhra 2047 and Viksit Bharat 2047 to build a globally competitive, future-ready innovation ecosystem

Catalyzing AI, Quantum Computing, Green Energy, Deep-tech Innovation, Startups, and Entrepreneurship

Transforming Andhra Pradesh's youth into a globally competitive talent pool for emerging industries

Connecting Global IIT Alumni, Industry Leaders, Policymakers, and Academia to drive innovation-led growth in Andhra Pradesh

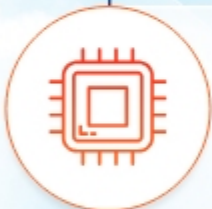

Andhra Pradesh: Powering India's **Next Wave of Innovation & Industrial Growth**

Capturing nearly **25%** of India's FY 2025–26 proposed investments, Andhra Pradesh secured over **₹6.74 lakh crore** across different industry sectors.

Powering India's deep-tech future, Andhra Pradesh is building a premier **Quantum Valley Park** to drive Quantum computing, literacy, and commercial innovation.

Global technology leaders such as **Google and Reliance** are driving large-scale investments in AI, digital infrastructure, and next-generation data centres in AP

Strategic east-coast location with **6 operational world-class ports, 3 national industrial corridors,** and strong logistics connectivity

Emerging hub for **AI, Space-tech, semiconductors, deep-tech, electronics, clean energy,** and advanced manufacturing

Beyond the Summit:

PanIIT-Andhra Pradesh
